YULE WINNER!

Dear Club,
Dani and Lexi were the perfect Christmas present from *Club*. Well, nearly perfect. If the two of them had been under my tree on Christmas morning that might have been better. I'm a big fan of both girls, and have been waiting for Dani to join Lexi in the world of porn films. Do you know if that's something she might do?
Jeff, Middleton

Yep, we'd rather suck on the breasts of Lexi and Dani than the dried-out breast of a crimbo turkey any day. We don't think Dani will be doing any porn films, Jeff, although if you know where to look on the old interwebs she does get very, very rude with her partner...

Dear Club,
I have always been a bit of a fitness freak and got into competitive cycling about five years ago. But before you start yawning and chuck this letter in the bin, let me add that I'm a 26-year-old blonde who loves sex! All that working out down the gym and road-cycling has given me a slim athletic figure that most women would be proud of, and it has proven very helpful in terms of getting men as well.

Okay, my tits aren't exactly enormous, but guys rarely complain when they realise I can bend into all sorts of positions – including putting my feet behind my head to allow a bloke the chance to go deeper inside my pussy than he would ever have thought possible. Anyway, the reason for me writing is because I have had loads of great fucks with men, but have never had sex with another woman. Although I've wanked many times over the babes in magazines such as yours, I've never had the opportunity to put my desire for some lezzie action into practice. Well, until last Saturday, that is.

Most weekends in the summer, my cycling club compete in races around the country. This particular weekend, we'd arrived in Newcastle for a county race and I'd travelled up on the train with a couple of the guys and Teresa, the only other woman in our team.

Now, Teresa was most definitely a looker, with her super flat stomach, legs that went on forever and a gorgeous pert arse. I'd been smitten with her from the minute she'd joined our group, but I'd contented myself with a series of lovely slow wanks while imagining my mouth delving between those luscious tanned thighs.

I came 14th on the day, while Teresa came 12th and we consoled each other as we stripped off for a shower afterwards, her tight Lycra cycling shorts leaving a cute red mark around her thighs like stay-up stockings. She had a shaven pussy and, as I'd always left mine with a neatly trimmed thatch, I asked her why she did it as we climbed beneath the warm spray. "It makes my pussy a lot more sensitive to the touch," she said, letting the water cascade over her shapely boobs, "and my lovers always seem to like it. Feel how smooth it is."

Teresa suddenly grabbed my hand and guided it onto the glistening wet mound of her smooth pussy. A tingle ran straight through me as my index finger rested along the opening to her slit and, without thinking of the

consequences, I leant forward and kissed her full on the lips. Teresa didn't flinch a bit, but instead melted against my body, her rock hard nipples pressing into my chest as our tongues entwined in a frenzy of lust. Her hand snaked down my stomach and a finger eased inside the folds of my twat, working its way upwards as her thumb began to swirl around my clit.

My legs were buckling as she slid another finger inside me and lowered her head to take one of my nipples into her mouth. Finally, I realised what I'd been missing having never made love to a woman. She knew exactly which buttons to press and, more importantly, how hard to press them. But it was time I put a few more of my fantasies into practice, so I knelt on the soaking shower floor, gripped those amazing, firm buttocks and licked from her knee up, until my mouth was an inch from her cunt.

She leant back against the wall and parted her legs, allowing me easy access to her hairless hole. Her pussy lips opened slightly and I helped them along with my fingers, stretching her gash wide apart in front of my face before running the tip of my tongue up and down just inside her twitching slit. Teresa tasted fantastic and I pushed further in, my lips encompassing her mound as I buried my tongue deep within.

As I squeezed her buttocks, I worked my fingers into the crack of her arse, feeling for her tiny bumhole, which, with the soap lather, became another point of entry into Teresa's lovely body. She began to moan with pleasure as I worked on her clit and tickled her bumhole at the same time. I knew she was close to cumming as her legs and arse started to twitch and shake involuntarily, so I slid my finger completely up her rear and slowly wriggled it around in the confined tunnel. Then, with a yelp, Teresa jammed her pussy against my face and a river of thick, sweet pussy juice poured into my mouth as I eagerly gulped the lot down my throat.

After her climax subsided, Teresa pulled me to my feet and snogged me passionately beneath the still running shower. I desperately wanted release and she knew it, so she led me out of the shower and into an adjacent lavatory cubicle. "Bend over the toilet, darling," she commanded and I did as I was told, two of her fingers entering my sodden cunt before I'd even rested my elbows on the cistern in front of me. I sighed with joy as she expertly began to pump inside me, her face

WORK, REST & SPRAY!

Dear Club,

I'll be very honest with you, the latest *Club* is the first porn mag I've bought in over ten years. I used to use the work laptop for my wanks on business trips, but after they recently put a filter on it I picked up your mag at Gatwick on the way out. It more than did the trick, it took me down memory lane and reminded me of what I've been missing. I think I'll be buying a few more!

Neil, Middlesbrough

Welcome back to the fold, Neil. Yep, the web, tablets and laptops have all come along to try and snatch our crown, but we're still standing strong. And we've got some delightful girls lined up for 2015!

pushing between my bum cheeks as she did so. The tip of her tongue eased inside my arsehole and another finger entered my slit, stretching it wider than any cock I'd ever had, as she slid her other hand up to my breast and tweaked my nipple hard. I lasted about a minute before my own orgasm tore through my aching pussy and I collapsed in a heap on the toilet seat.

After getting dressed, Teresa and I returned to our hotel and she spent the evening and most of the night teaching me the pleasures of lesbian love – and boy, did I have a lot to learn that night!

HOLLY ♣

Barnstormer...

What better way for British glamour babe to make her *Club* debut than with a classic throwback setting? Yup, it's been a while since we had a roll in the hay with a model, and to be honest this takes us back to the halcyon days of *Razzle* romps and *Escort* pile-ups. Only there's just the one girl. Well, we are the classier alternative...

"Good job I'm not allergic," laughs Holly. "Although it does smell a little bit 'rural' in here, shall we say."

We hope that doesn't spoil the mood.

"Oh no. I've never been on a farm before, but I can see the appeal. This would be the perfect place to sneak away for a quickie. Or to keep a bunch of zombies locked up. Your choice..."

Er, we'll go for the former... ♣

DESTINY ♣

Your date with...

Two years ago, Destiny made her debut in *Club*, showed us her ride and told us about her love for cars and sex. Preferably combining the two...

"Nothing has changed," Destiny tells us, "I'm just between cars at the moment, waiting for a new one to be delivered. It means I'm spending more time at home, and that means more time to play with myself. I never stop!"

We're sure if we were as sexy as you we'd never leave ourselves alone.

"I'm just so easily bored. If I get a little restless my fingers wander towards my panties and next thing you know I'm rubbing my clit. Then the day has gone and all I've done is masturbate!" ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

KINKY THOUGHTS!

Great! You're here. Just when I was thinking you'd stood me up. You like my corset? I know you told me to be naked when you arrived, but you said, "Think kinky thoughts," too. Anyway, I always feel more naked when I wear naughty gear than when I'm actually naked. It's how it draws attention to my sexy bits – the way my tits are shoved right up and forward and my cunt is framed . . . No, you can't miss them, can you? Tell you what I have been missing, though: your big hard cock inside my cunt, right down to the balls.

Don't act all shocked; you love it when I talk dirty. Yeah, maybe you should put me over your knee. That's right, sit on the settee, and I'll stretch out over you. I'm wriggling about, trying to get comfy. My tits are spilling out of the top of my corset, and squashing flat against the cushion. Now my arse is dead centre, over your lap, and your hard cock's pressed up against my mound. And it's getting harder . . .

Mmmn, you've got a bit of a thing about my arse, haven't you? You love how plump and firm it looks when I wear stockings. You're teasing me – teasing us both – stroking down my back through my corset, building up to your first feel of my arse. One quick squeeze is all it takes to get me squirming myself against your prick.

Yeah, you're caressing my cheeks now, rubbing and kneading the flesh, pulling them apart. Your fingers are inching towards my crack, and now – mmmn! – you're skimming

them up and down it. Your fingertips sink into my soaking wet hole. Yes, I have been playing with myself, just like you told me to. I know how much you like me to wank myself to orgasm before we have a fuck-session. You like me to get my cunt all pink and moist and puffy, so it will be tight and tender around your prick. I buck against you as you probe me with a finger, then you offer it to me to suck clean.

"Sit on me," you say, and I move round to kneel over your crotch. We kiss, your tongue probing deep inside my mouth, your hands feeling their way up my body to my tits. You're caressing my fleshy globes, now, and, hey, you're not afraid to get a little rough with them, are you? You give my nipples a playful tweak and roll them between your fingers and the harder you pinch or pull them, the harder I kiss you.

Mmmn, kissing you feels sooo nice. My pussy's starting to throb, it feels so warm and wet and . . . oooh yeah, there goes your hand, snaking in between my thighs. You're cupping my pussy, squeezing my labia together around my clit. I'm grinding my hips against

and twitchy from cumming that I'm virtually sucking you inside me, as deep as I can. I'm circling my hips around on you now, savouring the feel of your cock stretching and stuffing my hole. The head of it is butting up against the top of my cunt, and I can feel your pubes rubbing roughly against my clit. You want to feel me cumming around your shaft, and it won't take much. Just a little rub on my clit, and my cunt is clenching hard, then rippling. As my body flushes all over, you start to suck on one of my nipples, which immediately brings me off again.

How can you hold back so long? I'm grinding hard on your prick, clamping my cunt hard around it. You've got me so wet my juices are streaming out – I'm reaching down to rub your balls, and they're all soaked and sticky. I grind even harder and faster, my cunt muscles squeezing your shaft, like I'm trying to milk the spunk out of your balls, but you've got other ideas. You grab my hips again and ease me up off your prick. We both look down as it slides out of my cunt – it stays sticking

“Now, slowly and deliberately, you're sliding your prick up to my arsehole. It feels so rock hard...”

you. You grab one of my hands and place it on your crotch. Your cock feels so hard against it, straining against the front of your jeans. Think I'd better unzip you right now.

I don't think I've ever felt you as hard as this. The skin is stretched tight over the head of your cock. I'm almost scared to touch you, but you're taking my hand again and curling my fingers around your fat shaft. I'm wanking you now, sliding my hand up and down it, smoothly and rhythmically. I'm using my thumb to rub the underside, right at the join with your cockhead. Your sticky pre-cum is oozing out, and I rub it in.

Your hands slide down to grab my hips, but you don't pull down hard, so I string out the teasing a little longer. I play the head of your cock along my slit, my hand wrapped tight around it so it can't slip in. I touch it to my cunt opening, stirring it around, rubbing it over my swollen lips. You want a tight wet fuck? Well, That's what you're getting!

I look you right in the eye as I sink down on your cock. I'm doing it slowly, so you can feel every inch of it going in. My cunt's so tight

up rigid, coated with my frothing cum-cream.

"Get down on your knees," you tell me, with a wicked grin.

I'm dying to taste your cock and my own sweet pussy juices, but not until you give the word. Come on! Stop winding me up! You're rubbing your cock all over my face, smearing my cheeks and nose with my own juices. Now you're tracing the tip along my lips, spreading what's left of my lipstick over my face, and painting them with pre-cum. "Okay, suck me clean," you breathe at last. I don't hesitate. I start to lap around the head of your cock, working my tongue into every ridge, flicking the tip of it into your love-eye.

As I suck harder, you run your fingers through my blonde hair. Gently but firmly, you pull my mouth on to your prick, until it's touching the back of my throat. I've never taken a cock right the way down it before, but I'll do it for you. I'll suck you right in until . . . oh yeah; my nose is buried in your pubes. They're soaked through with my churned-up pussy juices.

I suck you deep until I have to breathe, then

I let your shaft slide out and suck on your head again. Your prick is starting to jerk against my tongue. Your body tenses as you try to hold back, but I keep on sucking. As I massage your sticky, hairy balls, rubbing them against my chin, I can feel them starting to bunch up . . .

A creamy, salty taste is flooding over my tongue, as the first jet of your spunk bursts on it. I swallow that and the next, using my tongue to keep you cumming hard, then I let the last of it well up. As you come down from your climax, I play with it; pulling pearly strings from my mouth and letting them drip on my chin and down to my cleavage. I rub

my boobs together, working it in, getting them nice and slippery for a titwank. Maybe I'm being too eager. I'm forgetting who's boss today.

You're hard again now, but you're still keeping me waiting. I want to feel that fat, juicy helmet rubbing against my nipples. "Turn around," you say, and position me on all fours. Now you're in behind me, playing with my arse again. You're kneading my cheeks and parting them wide, just gazing at what's between them. My cunt-folds must look even more fuck-swollen now; my hole still slightly stretched from taking your thick shaft. You

touch your cock to it, moaning as you savour the warmth and wetness.

Now, slowly and deliberately, you're sliding your prick up to my arsehole. You use your cock and fingers, and my pussy juices, to open and lube it up. "Okay, now relax . . ." you breathe, splaying me with your fingers as you position the head of your prick. It feels so warm and smooth, but rock hard, too, and huge. I breathe in deeply and push back, straining my muscles against it.

You're pressing gently but firmly against me. I relax and you slide inside me, your swollen helmet stretching open my arsehole, so your entire shaft can slip in smoothly after it. I gasp with the pleasurable shock of being penetrated so deeply, and I start rocking my hips, fucking myself on and off you. My clitoris is already aching in anticipation, and I can feel your hand reaching down, over my hips and stomach and in between my thighs. You're going to make me cum so hard.

As I start to cum again, you really work up some steam, pounding my arse as hard as you did my cunt, your balls slapping against me, heightening the sensations. I can feel every ridge of your shaft as it disappears in and out of my tightest hole, pulling it out to the tip and plunging in to the root again. I bet you can guess where I want you to shoot your next load, right?

SEX WITH THE EX!

You can imagine how delighted I was when my boyfriend's ex-girlfriend called up to say she'd returned from her travels, and could she crash with us for a few nights. Especially when I saw her. Erica turned up wearing only a cut-off T-shirt and a pair of tight

“ Erica didn’t mess about. She pulled his dick out of my arse and took it straight into her mouth... ”

denim shorts, with a rucksack throwing her shoulders back and thrusting her tits forward – and what tits they were! ‘Bitch!’ I thought, smiling my ‘welcome’ at her.

Erica asked if she could have a shower, and then spent the next half-hour running about in nothing but her knickers and her tank top, her big tits wobbling with every movement. Dave was looking on with more than fond reminiscence, and I was not happy.

That evening, as Dave and I fucked, I asked him if he still fancied her, and the bastard didn’t deny it. He just continued fucking me with a dreamy expression.

“You’re thinking about her, aren’t you?” I said. “Stop it. I’m going to cum, you bastard, think about me – about me!”

But he just smiled as we both came, and I knew that he was imagining that his spunk was squirting up inside her snatch, not mine. And I found it weirdly arousing . . .

“I think I heard you fucking last night,” said Erica, tactfully, the next day. “Dave always used to need it all the time. Is he still like that?”

‘None of your business,’ I thought, but I just smirked and said, “Yes.”

“He did me up the bum once,” she said, pertly. “Has he done that with you? I thought I’d lose my mind it was so good!”

I couldn’t believe we were talking like this, but I admitted that Dave had wanted me to, but I’d never let him.

“You must. He’s very gentle, and it’s absolutely fantastic.”

I should’ve been furious, but Erica was so

disarming that suddenly it seemed that we were best mates. She was actually a lot of fun to be with – perhaps I was just being too jealous. Actually, the talk about sex made me feel rather horny. After a few days, the three of us had a meal and some wine together, and Erica was flirting with Dave again, making me cross. She’d put on a top that scooped her big tits together into a stunning cleavage, and a short thin wraparound skirt that kept flashing her panties whenever she moved. She was lolling across him on the sofa and I finally spoke my mind.

“Erica, why don’t you just let him fuck you? Up the arse, if that’s what you want. You don’t seem to care that I’m here.”

“Good idea,” said Erica, with a giggle, “but I’ve got a better one. Let’s get him to fuck you up the arse – you said you wanted to try it!”

“Did she?” Dave asked, shocked, and I could see his cock swelling in his jeans. Before I knew what was happening, Erica was easing his hard-on through his zipper, and stroking him into her mouth like it was still hers. Furious, I knelt down and took it from her, opening my throat and taking his whole length all the way in, until my nose was in his pubes, his heavy balls against my chin.

“That’s a good trick,” said Erica, and to my amazement, started stroking up my thighs and under my skirt. I didn’t want her to feel all the juice that had been collecting in my pussy, but her fingers slipped inside and, wow, did they feel good. My pert little tits were soon at her mouth and she suckled at me just as I was doing at Dave’s big cock. Not knowing

what I was doing, I pulled open her top and her big gorgeous tits spilled out, the rosy nipples wide and staring. I couldn’t believe I was letting Dave lean across and reach into her panties and thrust his tongue into her pussy, but how could I object when she was giving me such pleasure, and his cock was still safely in my mouth?

That was all to change, though. Erica took charge, and had me kneeling on the floor while she smeared cream onto my arsehole. Then she slowly introduced Dave’s cock, feeding it into my tightest part, helping me to accommodate it as easily as I took it into my throat.

“Go on,” she said to Dave, “fuck her up the arse!”

He did, and Erica had been right about it. The orgasm, when it came, was of blinding intensity. I was in tears of joy, and I thought I’d never come down. Erica didn’t mess about, either. She pulled his dick out of my arse and took it straight into her mouth.

“Oh god, what a taste!” she gushed, making sure she cleaned every inch of his throbbing, sticky cock with her tongue. And then she slid it back into me so Dave could start ploughing my bumhole once again.

Dave hadn’t cum yet, though. The bastard was saving his spunk for Erica!

GLOBE THEATRE

**All the world's
a stage, and
sometimes famous
ladies get their
norks out on it...**

Of all the great Moore's – Bobby, Ian-Storey, Demi – our favourite has to be Julianne. The North Carolina actress is in her 50's now, but the pale redhead is at the peak of her acting powers (if you exclude that awful Boston accent she did in *30 Rock*). She's always been brilliant – and brilliantly sexy – but is turning in increasingly powerful performances, with a side serving of skin. In the last five years *Chloe*, *Maps to the Stars* and *The Kids are all Right* have all let Julianne show off both her acting acumen and her pygmy's cock-like nips. Win-win. ♣

One question I get asked a lot in your horny letters (and keep them coming!) is what turns me on. The answer is... it depends! Sometimes what turned me on yesterday won't work today. Sometimes a rainy day will turn me on, as I'll want to stay under the duvet and wank all day. Sometimes I'll want the sunshine so I can go skinny dipping. Sometimes I want romance, candles and roses, other times I want to suck on some balls while me and a bloke watch a DVD of filthy anal sex. Today, I'm in the mood for checking out other girls, so I'm fingering the pages of *Club* while fingering myself. I'll skip my own pictures – I'm not an egotist! – and dip my fingers in my gooey slot while I check out the other babes. You should too... but make sure you give me some attention first! ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Porky Plight!

Wild dinners are all the rage here in Britain. You can't turn a London corner without tripping over restaurant chalk boards advertising the latest foraged feast, but diners at the Highway Rest Stop café in South Korea got a

primitive surprise when a wild boar smashed through the café's window. The boar's rampage continued inside as costumers scrambled out of the beast's way, even standing on tables. The wild boar wasted no time in turning the café into a ravaged ruin before trotting out through a side door. If that doesn't put you off your sausages, we don't know what will.

Brainless Bandit!

21-year-old Christopher Peters – nicknamed the Braveheart Bandit on account of a blue triangle tattooed down his face mimicking Mel Gibson's character William Wallace from the 1995 film *Braveheart* – was caught on the pinch eight times in 2014 and currently has three warrants out for his arrest. Peters is well known to the police as a professional shoplifter and they are currently working to apprehend him. A line to keep in mind: "It's all for nothing if you don't have freedom".

Barking Blue!

Travelodge are an accommodating hotel chain, though I'm not sure if they stretch to providing cozy foxholes for the night complete with a chicken breakfast. One mysterious fox tried his luck though at the Woolwich Travelodge and even disguised himself for the occasion as most of his body had been dyed bright blue. Luckily an on-hand fox whisperer tempted the little critter out with Doritos. Clearly the furry chap didn't get the memo that dip dying went out in 2014.

Junk Mail!

You can do more than pop a letter in a post box these days as Paul Bennett, 45, from Wigan demonstrated in public after attempting to have sex with a post box. Witnesses reported seeing Bennett pull his trousers down and start to perform a sex act on himself before making advances to the red pillar-box and violating the cornerstone of British society. Bennett pleaded guilty to two accounts of indecent exposure and using threatening language and has been ordered to sign the Sex Offenders Register and undergo treatment for alcohol abuse. WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Why wouldn't I? It has the sexiest girls of any magazine in my opinion, and I wanted to be one of them!

FAIR ENOUGH. TELL US A BIT MORE ABOUT YOURSELF

Well, Sapphire isn't my real name! I though it sounded glamorous. I like threesomes, playing football (I'm in a Sunday team) and red wine!

WE APPROVE! BUT THREESOMES WITH WHOM?

Oh, a man and a woman, preferably. If I'm one on one with a man I want it to be romantic. Add another woman and that's when it gets really interesting.

ANY OTHER AMBITIONS?

Lots. I have a bucket list. Playing at Wembley, visiting Las Vegas and having a threesome with Brad Pitt and Angelina Jolie are all on there somewhere! ♣

PENNY ♣

The Sussex seductress is back, as our favourite British babe hits Club's front cover with enough force to knock down a lamppost. Oh, wait...ours is still standing ridged, but this may have something to do with the heavenly sight of Penny Lee's marvellous bust, that we seem to have become boggle-eyed over. If you can bear to tear your eyes away from Penny's Pillows for two seconds (yes, we know it's hard), then you'd do well to cast your eye over her cracking arse as well. We can safely say she's got the whole package, and in that respect, our packages have been growing in appreciation of all that is Penny.♣

TWO GIRL TORTURE!

I think it's probably fair to say that it's every guy's favourite fantasy to get two girls into bed (at the same time, I mean). It certainly is my boyfriend's. I've been going out with Jason for about two years now and the subject's cropped up on more than one occasion. See, the thing is, Jason loves to talk dirty to me during sex and he loves to hear me talk dirty back, so we know each other's fantasies intimately. Jason's always going on about how he'd love to watch me slide my tongue in and out of another girl's sopping pussy, and dip his cock from cunt to cunt as we squirmed around on the bed, then he'd blast his hot sticky cum all over our faces.

I always thought this was just talk – a little sexy mental stimulation to accompany the physical – so I always played along. I'd say stuff that I knew would turn Jason on and talk about rubbing my dripping pussy into another girl's cunt, he'd nut off all over me in a fit of excitement. But then Jason started talking about this girl at work and asked if I wanted him to arrange it.

"She's a good friend of mine and really open-minded. I reckon she'd join us one night if you wanted," he said. I asked him if he'd fucked her already, but Jason swore he

hadn't. I wasn't sure I believed that because why would someone who was 'just a friend' join in if nothing had gone on in the past between them? Jason said it was just because she was a real good-time girl who loved adventurous sex and would do anything if it was a bit risqué.

"She probably wouldn't fuck me just on my own, she'd think that was too boring. But with you there, I reckon she'd jump at the chance."

He then showed me pictures of her on the web. She'd posted some amateur snaps on a porno website and someone at the office had found out. The boss called her in to discipline her and everyone thought she'd get fired, but incredibly she kept her job. The rumour was that she'd let the guy fuck her over the desk every night for a month (once while a couple of his friends watched), but that was just a rumour.

I gave Selina (that was her name) a good

the picture as to what I had planned for Jason, and she eagerly agreed.

Now, I have to confess I had an ulterior motive, too. See, I'd never been with another woman before, but had always fantasised about it. I don't know if I would've ever been brave enough to try seducing a girl on my own, as that would involve admitting I had these lesbian feelings, but with Selina it didn't count as we were just doing it for Jason. See?

After a couple of drinks we went up to the bedroom and climbed onto the bed. Jason stripped off and sat on a chair in the corner, nursing his hard cock. Selina cast an interested eye over his prick and asked if she could give it a little taste, but I told her no. Jason hadn't listened though and was wanking his cock just inches from Selina's ruby lips, so I told him if he didn't sit back down the deal was off.

Jason was torn with horn and for a moment

"Selina cast an interested eye over his prick and asked if she could give it a little taste"

look over and liked what I saw. She was quite small, with a round face and short brown hair, not conventionally beautiful, more cheeky with an incredibly dirty smile and I felt a little twinge for her. Jason said he'd ask her then, but I still wasn't sure and asked my best friend what she thought.

My best friend told me that she and her boyfriend had had a threesome once, and that her boyfriend had just spent the whole time fucking the other girl. She said that it felt like he'd cheated on her, but that it hadn't counted because she'd been in the room at the time, and warned me to watch for the same. I knew what to do at that moment and told Jason he could have his threesome if he wanted but on one condition – he had to sit at the end of the bed and not join in until I told him he could.

Jason agreed, not knowing the torture he was letting himself in for, and a couple of nights later Selina called round. I put her in

I thought he was going to say to hell with me then, but to mine and Selina's amusement, he just trudged back to his chair. "Maybe later, if you're good," Selina said, then turned and kissed me.

It felt so weird kissing another girl, and I couldn't help but hold back a little at first, but Selina took the lead and took her hands on a tour of my body. She slipped her hands inside my top and pulled down my bra, stirring my nipples with her fingertips as she did so. I have incredibly sensitive nipples at the best of times, and their stiffening radiated delicious tingles all across my body.

I moaned into her ear as she slid her hand between my cleavage and across my soft belly and I knew where it was going next. My pussy, already moist with anticipation, started to pound as her fingers approached. She pulled up the hem of my skirt and stroked her flat palm across my hot cunt several times, before sliding her fingers under the lace. My pussy pumped as her fingers dug into my flesh and I buried my face into her neck as they stroked across my wet lips.

Selina soon found my clit and stirred it with circular motions that turned me on like crazy. She dropped open her legs and urged me to do the same to her, so I grabbed a handful of

her cunt. Her pussy was nice and wet, so I slipped two fingers into it and pumped them with fevered enthusiasm, delighting Selina and filling the room with noisy squelching. Jason jumped out of his chair for a better view, so the pair of us turned our hips towards him and told him to sit back down.

"Suck my pussy," Selina told me, her request almost making me cum all over her fingers. We stripped out of the rest of our clothes and planted our mouths between each other's legs. The relief Selina's tongue brought me had me howling into her wet cunt and I reciprocated as best as I could until my face was greasy with her joy. I planted my tongue as deeply as I could inside her love tunnel and rubbed her clit with my thumbs, making her flinch with every stroke, then I licked all around her wet thighs and even between her cheeks as I sampled every inch of her.

"Oh God, you dirty fucking bitch," she moaned, as I flicked the tip of my tongue across her arsehole, then she did the same for me.

"Please let me fuck you?" Jason was moaning, his cock now so impossibly primed that I knew I could make it explode with the gentlest of touches.

"Sit back down, you wanker,"

Selina barked, then went back to sucking on my swollen cunt lips. It was so horny having this young thing feasting on my pussy that I couldn't stop myself from admitting my little secret.

"I'm a lesbian. I've always been a lesbian. I love pussy and I'll fucking suck any girl's cunt who wants it," I moaned, writhing about on Selina's face as my heart pounded in my chest.

"You fucking dyke," Selina replied. "Eat my cunt, dyke. Eat it!" I stuffed my face harder between her legs and whipped my tongue up the length of her sopping crack again and again as she tongue-fucked me to oblivion and soon I started to orgasm.

"I'm gonna cum!" I howled, and Selina closed her mouth over my cunt, catching my juices as I splashed across her tongue. It felt unbelievable cumming in this stranger girl's mouth, and this just intensified my pleasure to dizzying heights. When I was done, though, I was so exhausted that Selina had to

“Jason sank in up to the balls with one thrust and he fucked her hard with urgent thrusts, then pumped her full”

kneel over my face and bring herself off, as I could barely lift my head!

The smell and taste of her cunt filled my senses and she stuffed her fingers into her swollen hole again and again before finally dropping down onto my open mouth and cumming all over my tongue.

"Oh fuck yes," she moaned, as I drank from between her lips.

"I can't stand it any more," Jason said, standing over us rubbing his cock into Selina's body. He left a glistening trail of pre-cum all over her tits and I knew at that moment he'd do anything to stick his cock into one of us (or more obviously, her), so I decided to take advantage of the situation.

"You want to fuck us?" I asked, and Jason begged yes. "Then you can fuck her if you want, but only on one condition."

"Anything. I'll do anything," he said, as Selina lay back and parted her legs. Her cunt cracked open so invitingly, but Selina blocked it with her hand as Jason tried to slip it inside. "Please," he implored.

"Like I said, on one condition. You have to let me get fucked by another guy, and you have to sit in the corner and watch as he fucks me," I said, and Selina smiled at this.

"Okay, yes, I promise," he said, but Selina made him swear. "I swear, just let me stick it in you." Seeing him this horny though, I couldn't resist upping the stakes.

"Two guys, you have to let me fuck two guys at the same time. Pussy, mouth, arse; they fuck me in every hole and you have to watch," I said, and Jason still agreed, so I told Selina to let him in and she moved her hand. Jason sank in up to the balls with one thrust and he fucked her with hard urgent thrusts. I thought about the hard urgent thrusts I'd be getting in a couple of weeks time and the look on Jason's face as they showered me with cum. I couldn't wait. And neither could Jason, by the looks of things. He let out a cry and slammed into Selina one last time, then pumped her full of seed.

When he pulled out his cock, her crack dribbled with sperm, so I sunk between her legs and gave her hole a suck. I do love the taste of freshly squirted cum, and it tastes absolutely delicious when sucked from a girl's well-fucked pussy – as Jason would discover in a couple of weeks time. I'd see to that.

Fiona, Leicester.

BIKER BANG!

First up, my name's Jazz and I'm the bass player in an all-girl band called The Biker Slut – the dirtiest, most wanton rock-bitches that ever drew breath! A brief introduction: Sindy, the singer has blood-red waist-length hair, and is a roaring bi who loves to give the rest of us wicked head. Anna's our full-lipped drummer with tits to fuckin' die for, she likes to get banged up against the dumpster with the trash behind whatever shit-hole we just played. On guitar there's Beth, she's kind of severe with a sharp black bob, and is well into her fetish thing. Then there's little

rapturous applause and we frowned and rolled our eyes, drinking all the harder to steel ourselves against what was to come. The bad music eventually stopped and we staggered out, pissed as farts, to pound through our set.

Halfway through the first song, I noticed through my blurry vision that the audience were nearly all women. All except the five muscular semi-naked men standing to the left of the stage! And then it dawned on me – the support act hadn't been an 80s DJ, it had been a fucking male strippers outfit. And now there

were these five hunks staring at our raunchy, sex-starved arses. One of them, a man with a shaved head and a well-trimmed goatee, was looking at me and pulling ferociously on his fully-engorged member! Oh, thank fuck, I thought, we're gonna get to have some fun after all.

Sindy saw this and was in there faster than I could have thought possible, looping her mike lead around Mister Goatees' neck and dragging him up onto the stage. She then proceeded to grind up against him for all the audience to see, licking his nipples and biting at his neck like the sex-starved nympho she was. He responded by pushing her onto her knees and shoving his throbbing member into her waiting cleavage, its purple end probing at her neck and chin. She flicked her tongue teasingly at it and grabbed him firmly by the balls, making him buck as he moved to the pounding backbeat.

The stripper who had been standing next to Mister Goatee, a fine specimen with bleach-blond hair and a surfers' tan, took this as his cue and jumped up onstage. He slid round behind Beth and grabbed at her bulging, corseted tits with one hand whilst the other made a beeline for her crotch, pulling at her rubber skirt with sweaty fingers. I could see Mister Blonde's fat cock pushing at the taut black material that covered Beth's arse, and I felt myself moisten deliciously as I watched her writhe, wet-lipped, within his grasp as she tried desperately to not fuck up the song.

I felt the hair on the back of my neck stand up and I looked away from Beth and back to the audience. Standing in front of me was a tall, naked man with spiked hair, blue-eyes and a snake tattoo coiled over his right pectoral and upper right arm. His eyes were clear and hard and his gaze unflinching as he

stepped up onto the stage. Now the audience were really starting to go mental! Mister Snake proceeded to kneel before me and pull my miniskirt up, slowly taking and unclipping a suspender with each calloused hand. He delicately traced the tendons on my thighs, moving his mouth closer to my crotch, his very breath playing upon my fattened, hungry sex. Yet Mister Snake was an expert tease, and he held off on touching my now-steaming pussy until we'd started the next song. Locking his arms about my groin and open legs like some kind of vice, he waited with heavy gasps until I was busy playing the bass again.

I closed my eyes and tried desperately to hold the beat as he pulled my G-string to one side and began to expertly work my clit with his dancing tongue. As the song built up speed, so did he, holding my pussy open with

“He responded by pushing her onto her knees and shoving his throbbing member into her cleavage”

old me on bass. I'm your classic rock-chick, I suppose. Long blonde hair and big brown eyes; all fuckin' hiked up cleavage and mini-skirts that are more like belts, that's what I'm about.

So let me tell you about this one time on tour... God knows how it happened, but we were doing this series of ill-conceived gigs in the West Country where we were playing all the wrong sorts of places. Gents' clubs where the youngest guy was fuckin' 50 or something?! More importantly still, I hadn't gotten any cock in over a fortnight on the road – a completely unprecedented length of time for a Biker Slut to go unseen to.

So, anyway, we'd just about given up hope of having any fun at all when we rolled into Taunton one evening, all tired and wound up, to find that we were booked to play a bloody wine bar! We sullenly set our gear up in the corner and started drowning our sorrows before the place was even open. I was so inconsolable that I didn't even bother to check who the other bands were, as they were bound to be a load of shite.

We sat backstage passing a bottle of vodka between us telling dirty stories whilst the wine bar filled up, none of us bothering to go outside as we really didn't give a fuck who showed up. When we were well into our second bottle, we heard what sounded like a DJ doing a really awful set of 80s tunes to

one hand and sliding one rough, moistened finger up my arse with the other. I spasmed as I heard the drumbeat break down and the crowd begin to jeer, but Mister Snake wouldn't let me turn around to see what was happening. All of a sudden, with the music now stopped and nothing but my own hammering heart for company, I was cumming like a freight train. Mister Snake worked my orgasm like a pro and slid from my womanhood when he was done with serpentine grace.

As I slumped to the floor I noticed the remaining two strippers were spit-roasting a twisting, bucking Anna over the trashed remains of a drumkit and I laughed deliriously. No wonder she'd dropped the bloody beat!

f Amy Winehouse taught us anything it's that black is back. Though more specifically, Tori Black is back with this sumptuous offering that has had the Club office buzzing (it stopped once we'd located the vibrators box) with excitement over the Washington wonder. We asked the 27-year-old what she'd been up to recently, "Well I've just been away shooting some really hot porn films, where I get my arse fucked off by so many cocks! I had a great time." That's what we like to hear Tori, keep up the good work! ♡

A dream cums true...

Now that we've got the internet, you could be forgiven for thinking that every fetish and fantasy is wild and out there. But some classics don't die. Rahyndee (pronounced Randy, obvs) has a simple one – she wants to play secretary. She wants to answer your calls, book your meetings, take some dictation. And then she wants to bend over the desk, suck on a pencil and have you lift up her tight dress and bang her over aforementioned desk. Of course, her fantasy is pretty much the same as ours as well. Perfect... ♣
